---

Hi Jeff,

I have been trying to get confirmation that we are on the agenda for Aug. 6th.  
Our committee has submitted the request and it has been approved.  
I just haven't received any info on time.

Also, something must be going on. I received another harrassment call from Mr. Ames.  
"You're barking up the wrong tree. You'll never catch the great Denny Ames".  
What ever that means.

I have spoken with Julio and said he would have the letter ready.  
I'll keep working on it.  
Talk soon.  
Take care.
